Dear Ms Keeling

Thank you very much for your donation of £241 raised by Evesham & District Skittles League and for joining our fight for young lives against cancer. If you would like a certificate for you to display in your company, please contact our supporter engagement team on the details below.

Today, 11 more children and young people will hear the devastating news that they have cancer. From diagnosis, CLIC Sargent's specialist care teams will step in, ready to help, support and guide each young cancer patient and their family.

We know that for young lives, when the doctor says cancer, normal life stops. CLIC Sargent care teams will fight tirelessly to limit the damage cancer causes; they will listen, and ask the right questions, so that they can provide the right support, tailored to each young person and family.

This might mean arranging a CLIC Sargent grant or helping young people and families get the benefits they are entitled to, coordinating care so that some medical procedures can happen at home, arranging free accommodation in a CLIC Sargent Home from Home, or helping young cancer patients and families keep in touch with school, college or work to keep life as normal as possible.

Thank you and Evesham & District Skittles League for supporting CLIC Sargent and joining with us to fight for young lives against cancer.

Best wishes
